## PAYMENT OPTIONS

Our goal at Center Stage Dance Academy is to provide the highest quality dance education. As you know we currently collect our class fees at the beginning of each month. This collection system takes a lot of staffing hours, and takes time away from activities like class planning, choreography and providing the highest quality of dance education. To make things easier and more streamlined we are now offering a system of "Auto-Debit", an automatic withdrawal from your checking account or your credit card. The tuition is still paid monthly. As you know, time is money. In exchange of saving us bookkeeping time, by using the "auto-debit" system, you will receive a gift certificate. If you choose "Auto-Debit" as your choice of payment, we would like to thank you by giving you a \$20.00 Gift Certificate towards Decembers Tuition. If you choose not to use the "Auto-Debit" payment system, a \$5.00 administration charge will be added to your monthly tuition payment. You would need to make sure that your tuition payment is paid by the 7<sup>th</sup> of each month. (Cash, Check or Visa/MC) If payment is not received by the 10<sup>th</sup> of each month a \$10.00 late fee will automatically be added to your tuition for that month. We are also streamlining our billing system. We will no longer be mailing out invoice using the post office. We will be sending statements via e-mail. If an e-mail address is not provided to us a \$5.00 administration charge will be added to your monthly tuition payment. Thank you for helping us with these changes so we can continue to provide the highest quality of dance education possible.
